DEAR VALUED CUSTOMER:

Re: DIRECTIVE EC1907/2006 REACH

In response to your inquiry regarding the presence of substances of very high concern (SVHC) listed in the current candidate list of the REACH-regulation Ritrama certifies that all products, when leaving our manufacturing site, are to all intents and purposes free from the substances of very high concern (SVHC) listed in the candidate list of the REACH regulations (29/10/2008 list and last update 15/12/2010). SVHC's have not been intentionally added or used during the manufacturing process.

This present declaration is valid for all Ritrama products with the exception of our static cling range as listed below:

- 04223 RI-4512/150 Clear
- 04031 RI-4519/150 Clear
- 04226 RI-4519/180 Clear
- 04539 RI-4522/150 Clear
- 04764 RI-4522/180 White

These products all contain as plasticiser DEHP (DOP) which is included in the REACH -SVHC list.

This statement concerns only self adhesive laminate manufactured within the Ritrama Group. It cannot apply to any subsequently converted versions of Ritrama products. For example – printed labels based on Ritrama laminates.

We trust that this information will meet your requirements, please contact us again if you require further details.

Best regards

Alessandro Susa
Group Technical Director
